THE EARLAM'S LOYALTY CARD

We are delighted that the people of Styal have embraced Earlams store, café and gallery. It has certainly become a focal point for the community as well as providing shopping and refreshments for both villagers and visitors. Although our prices are already very competitive, to recognise the support of Styal residents we are introducing the Earlams card which gives the holder a discount of 20% in the café and 10% in the store (there are one or two exclusions listed on the back of the card). Each household in the village is entitled to a card, as are all our wonderful volunteers.

VISIT BY **THE CHESHIRE CHEESE COMPANY**

You may have seen the truckles of Cheshire cheese that have recently appeared in the fridge of Earlams store. Earlams is pleased to announce that it is an official stockist of the Cheshire Cheese Company Cheeses.

We are currently stocking 5 unique flavours including a delightful creamy Cheshire, Smoked Redwood Cheddar and a special Strawberries, Champagne and Cream Cheshire cheese, ideal as a gift for the special person in your life. Call in to the Earlams store to see our full range of Cheshire Cheeses and our other tasty artisan products.

Ruth Bass of the Cheshire Cheese Company will be available to talk to you about the production of the cheeses and offer samples. Local artisan bread and our range of pickles and chutneys will also be available to taste. Sunday 10th April 1 – 4pm.

PIE TIME

Have you tried our new range of locally made artisan pies? We offer steak, pork, Cornish pasties and sausage rolls to take away from the store or served with salad in the café. They are delivered fresh each day (except Sunday) and are delicious as a snack or make a tasty meal with our local fresh vegetables.

Meet...

MRS MERINGUE

Many of you will know Jackie Haslam, who has lived in Styal for more years than she cares to remember – there are now three generations of Haslams in the village. Jackie has been a volunteer in the store since Earlams opened, but better still, she also offered to bake meringues for us. Jackie's delicious fresh cream meringues were already famous in the locality and so we are delighted that she makes a batch for the café and store every Tuesday and Saturday morning. They are in great demand (many people order them) and make a visit to Earlams worthwhile in their own right.

VOLUNTEER PROFILE

Sandy Holmes

"I started volunteering at Earlams in August 2014. I came to volunteer in the cafe as I wanted to add something to the community and liked that Earlams was a community funded and developed project which was set up to create a social hub for people within the local area. We have a great team of volunteers who are really friendly and sociable. Over my time volunteering at Earlams I have made many new friends, both local and visitors from further afield. I really enjoy the rural setting of Earlams and interacting with our regular customers. I would strongly recommend volunteering to anyone looking for a fun way of being an active part of their local community."
