

Dear Styal Resident,

Styal Village Community Shop and Café Limited Share Offer

This letter is from the management committee of Styal Village Community Shop and Café Limited. We are delighted to be able to offer you the opportunity to purchase shares in the business, that is to be run by the community for the benefit of the community.

The success of the business relies on the support of local people and we would encourage as many people as possible to become shareholders and therefore part owners of the business.

Please find a copy of the detailed share offer document enclosed for your consideration along with the share application form. A copy of the business plan and our rules can be viewed at our registered office (address below) or on our website www.earlams.co.uk.

Please note a separate application must be completed for each member of a family investing. You can either purchase shares online through www.microgenius.co.uk or alternatively you can purchase shares by completing the attached application form and return to it to The Shop, Altrincham Road, Styal, SK9 4JE (please post through letterbox). We have also enclosed a donation form, which should be completed if you would prefer to make a donation, or would like to make a donation in addition to purchasing shares. Please do let us know if you would like us to collect your application form or if you need any assistance completing the forms or making an online application for shares.

If you have any queries or require any additional information please either email info@earlams.co.uk or contact one of the following members of the management committee who will be able to help you:

The share offer opens on Friday 30^h May and closes on Friday 20th June 2014. The support for the business from the community to date has been amazing and very encouraging; we now need your vital support to turn the generous pledges you kindly made in January into the required funding to make it happen by subscribing for shares via this offer.

Thank you for your support and we look forward to working with you on this very exciting project, which will improve Styal Village as a place to live, work and visit. We now have identified all the required suppliers and once the funding is confirmed our current aim is to open for business in July.

Yours sincerely on behalf of the management committee of
Styal Village Community Shop & Café Limited

Simon Poyser
